### Ice Surface Designated Dressing Rooms – IMPORTANT

#### **Don Jackson Surface**

- Rooms 2 and 4 and the hallway area outside these rooms will be designated as the entry rooms for the Don Jackson surface. All Skaters in the hallway and room 4 must walk over to room 2 to enter the rink through the rear door. All skaters using the Don Jackson surface must enter the ice surface through room 2. Even skaters using room 4 and hallway to dress must walk into room 2 after they are fully dressed (skates laced up, gloves and helmet on, etc.) so that they can enter the rink through door that directly connects room 2 and the ice surface. Skaters **MUST NOT** use the center door on the surface to enter the rink, that door is the exit door **ONLY**.
- Rooms 6, 8, 10 and designated areas along the Don Jackson facing hallway wall will be the exit rooms for the Don Jackson surface. Upon exiting the surface, skaters must follow the floor arrows to rooms 6, 8, 10 and the hallway area. Untie skates in marked areas and exit the building using the middle staircase following the arrows leading out to the front of the building.
- **No personal belongings are to be left in any of the above dressing rooms or designated hall areas, they must be taken out to the ice surface and left on the designated benches (these areas will be disinfected between sessions)**

## North American Surface

- **Rooms A, 1, 3** and hallway area are designated as the **entry rooms** for the North American surface. Once skaters have tied their skates and put on any remaining gear, they must follow the arrows keeping 2 metres apart before entering onto the North American surface.
- **Rooms 5, the MSC Gym and the hallway** closest to the studio pad will be designated as the **exit room/area** for the North American surface. Upon exiting the surface, skaters must follow the floor arrows to MSC gym and room 5. Undress in marked areas and exit the building using the middle staircase following the arrows leading out to the front of the building.
- **No personal belongings are to be left in any of the above dressing rooms**, they must be taken out to the ice surface and left on the designated benches (these areas will be disinfected between sessions)

## Studio Ice Surface

- **The Minto Skating Club** dressing room (furthest room at the end of the hall on the left) will be designated as the **entry room** for the Studio surface. Once skaters have tied their skates and put on any remaining gear, they must follow the arrows keeping 2 metres apart before entering onto the Studio surface.
- **Rooms 12 and 14** will be designated as the **exit rooms** for the Studio surface. Upon exiting the surface, skaters must follow the floor arrows to rooms 12 and 14. Untie skates in marked areas and exit the building using the middle staircase following the arrows leading out to the front of the building.
- **No personal belongings are to be left in any of the above dressing rooms**, they must be taken out to the ice surface and left on the designated benches (these areas will be disinfected between sessions)

## Icetime Usage – Social Distancing Measures

- Upon entering the ice surface, skaters must maintain a minimum 2 metre distance for the duration of the skate from coaches and other participants
- A maximum of **twenty-five (25)** skaters including coaches are to use the NA or DJ ice surface per rented hour. Failure to comply by this rule or distancing requirements will result in immediate removal from the facility and a non-refundable cancellation of that icetime.
- A maximum of **twelve (12)** skaters including coaches are to use the studio ice surface per rented hour. Failure to comply by this rule or distancing requirements will result in immediate removal from the facility and a non-refundable cancellation of that icetime.
- No showering is permitted at the Minto Skating Centre
- **Based on physical distancing needs, it is recommended that groups keep their numbers between 15 and 20 on the North American and Don Jackson surfaces, as that is what our dressing rooms are able to accommodate. However, chairs have been placed in the hallway to be able to accommodate 25, maximum**
